4. Adding Expenditures

The screenshot displays the 'Add Expense' form within the 'Personal Budget' web application. The top navigation bar is identical to the previous page. The form is titled 'Add Expense' and contains several input fields: a 'Date' field with the value '20-11-2022' and a calendar icon; an 'Expense name' field with the text 'buying laptop'; an 'Expense Amount' field with the value '80000'; a field for the payment method, currently showing 'cash' with a dropdown arrow; and another dropdown menu currently showing 'Business'. At the bottom left of the form is a red button labeled 'Add'. To the right of the form is a 3D isometric illustration of a person in a red shirt and dark pants standing next to a large blue envelope, a calculator, and some green plants, with a speech bubble containing an exclamation mark above them.
